

Certified Infrared Level I Training

by IDEAL INDUSTRIES, INC.

Infrared Level I Certification

The Infrared Level I Training Course is geared toward the user of the HeatSeeker® Thermal Imaging Cameras, and focuses on its use for a variety of applications. Level I certification is earned by passing all classroom requirements and submitting an infrared report for evaluation within one month of completing the three-day course.

The Infrared Level I Course offered by IDEAL meets all Level I ASNT-SNT-TC-1A recommendations for thermal/infrared testing, as established by the American Society for Non-Destructive Testing (ASNT).
