

Certified Infrared Level I Training

by IDEAL INDUSTRIES, INC.

Infrared Level I Certification

The Infrared Level I Training Course is geared toward the user of the new IDEAL 61-844 HeatSeeker Thermal Imaging Camera, and focuses on its use for a variety of applications. Level I certification is earned by passing all classroom requirements and submitting an infrared report for evaluation within one month of completing the three-day course.

The Infrared Level I Course offered by IDEAL meets all Level I ASNT-SNT-TC-1A recommendations for thermal/infrared testing, as established by the American Society for Non-Destructive Testing (ASNT). The course is led by an ANST/PdM TIR Level III instructor with over two decades of experience and knowledge in the industry.

2010 Schedule
